

August 4-10, 2019

# STEM WEEK

SCIENCE • TECHNOLOGY • ENGINEERING • MATH

## STEM Week Rotary Scout Reservation August 4-10, 2019

During STEM Week, RSR will be offering all of the great traditional outdoor programs you love, PLUS additional STEM-themed merit badges and, for the first time ever, **BSA Nova** programs!

- |                              |                                   |
|------------------------------|-----------------------------------|
| • <b>Entrepreneurship MB</b> | • <b>Scholarship MB</b>           |
| • <b>Inventing MB</b>        | • <b>NOVA: Whoosh!</b>            |
| • <b>Robotics MB</b>         | • <b>NOVA: Designed to Crunch</b> |

Participants will have the opportunity to learn from professionals in STEM career fields, learn about college and career opportunities in STEM, and earn merit badges and awards in the STEM Nova program!

### Join us for Provisional Camping at Rotary Scout Reservation!

We'll place you with a host troop so that you can enjoy all of the fun of camp again. Bring a buddy and you will be placed together.

### Second Week Discounted Rate:

**Just \$250**

**All Inclusive Fee!**
