Project COPE is a fun and exciting challenge course which seeks to develop leadership, teamwork, and self-confidence among the participants. These goals are reached through increasingly intense levels of activity which challenge the participants to move beyond their own expectations and fears. For the health and safety of all participants, the COPE Director has the final authority to determine the eligibility of all participants based upon maturity and conduct.

I have read the information above and confirm that the applicant named above meets all of the stated requirements for participation in Project COPE.
