Intro to Cub Scout Resident Camp

Program Design

Cub Scout resident camp is a fun outdoor program for Cub Scouts going into First Grade and older (Tiger, Wolf, Bear, Webelos, and Arrow of Light).

Cub Scouts participate with a parent or with their pack or den.

The program is designed for Scouts to have a great time and participate in outdoor adventures with their friends and fellow Scouts.

Our highly trained staff will lead Scouts in program activities throughout the day.

These activities often overlap with elements of the Cub Scout advancement program, though advancement is not the primary goal of Cub Scout resident camp. Scouts will receive a record of all activities they completed, though it is not the intent that all elements of a particular rank or Cub Scout Adventure will be completed at camp.

Cub Scout resident camp is all about having fun and developing a love of the great outdoors!

Program Schedule

Scouts at Cub Scout resident camp will follow a round-robin program each day, beginning on the afternoon of the first day and continuing through the morning of day four. These sessions are scheduled from 9:00 AM - 12:00 PM and 2:00 PM - 5:00 PM. Each one hour session will incorporate 45 minutes of activity and 15 minutes to allow for a break and travel time to the next activity. Additional programs will be offered in the evenings, including a camp-wide campfire, and other optional activities.

Scouts will travel in dens, with their adult partners helping to provide supervision, and families with multiple Cub Scouts will be kept together in the same den. Within each program area, activities will be differentiated as appropriate to meet the needs, interests and rank of each Cub Scout.

Each den will receive a specific program rotation schedule when they arrive at camp. Please see the master schedule in this guide for more details.

Camping

All Cub Scouts and adult participants will be assigned to a campsite. Scouts from the same home pack or den will be placed together in the same campsite. Mixed units will be created for those Scouts attending without their pack.

The camp provides tents for all participants. These tents are 9' x 7' canvas wall tents on a raised wooden platform, as shown on the right, and each tent contains two cots. There is room under each cot to stow personal gear. Participants do need to bring their own sleeping bags or blankets, as these are not provided.

Each campsite also features a 19' x 20' pavilion, picnic tables, a campfire ring, and a latrine.

Adult Supervision

The summer camp staff at RSR will provide a high quality food service and a safe and fun program throughout the day. However, the staff does not supervise Scouts overnight in the campsites. Cub Scouts attending resident camp must be accompanied by responsible adult supervision. This requirement may be met in one of two ways:

- ▶ The Cub Scout attends camp accompanied by their parent or legal guardian, or
- ▶ The Cub Scout attends camp as a member of a pack or den, with adult leader supervision provided by the unit. The minimum leadership requirements for a unit attending camp is a ratio of two adults to a maximum of eight youth, and one adult for each additional four youth (or part thereof).

Every adult in camp is required to meet certain BSA and New York State standards, as detailed in the Youth Protection section below. Please review these requirements carefully, as there are certain requirements that must be met well before arrival at camp.

In order to help keep costs low for our Scouts, an adult participant fee has been established:

Adult Fee:	\$95
Adult Discount:	Each Pack will receive one free adult for every four registered youth. Pack members must be registered together in the same camp reservation to receive the discount.

Camperships

The Twin Rivers Council provides partial camperships to ensure that all youth have the opportunity to attend summer camp. Packs are encouraged to participate in fundraising opportunities (such as popcorn sales) to help defray the cost of camp for their members.

The online campership application is designed to be completed by the Scout's family and is **available here**. Please submit applications by **April 1** so that the campership committee can review all applications and provide timely award information to families and units.

Black Pug

All camp registrations are processed through the Black Pug registration system.

- ▶ To create a **new** camp registration, visit www.rsbsa.org or www.trcscouting.org/calendar, follow the link to the camp registration, and select the session you would like to attend.
- ▶ To update an **existing** registration by adding Scouts or adults, or submitting payments, the camp contact should sign into their Black Pug account. Select the pack number from the "Activity" drop down menu, then select the camp registration, followed by "View Registration".
- ▶ The camp contact who created the registration may share access to the account with other key leaders (e.g., Cubmaster or Treasurer) by sharing their Black Pug account email address and registration number for the camp registration.
 - ▶ Select "Lookup" from the Black Pug menu to enter this information and gain full access to the account. This info should not be shared with all parents, as it provides full account access.
- ▶ Units may choose to activate the Parent Portal if they want to give parents access to make payments for their specific child.
- ▶ For Black Pug tutorial videos, please visit www.rsbsa.org/resources.

Twin Rivers Council Refund Policy

Months before camp opens extensive planning, purchasing, and staff contractual agreements are all set in place, among other things. Due to these types of commitments, it is not practical to give full refunds.

Event fees are non-refundable except as permitted by this Policy. No refunds will be allowed after 30 days following the event date. Any refund request shall be in writing and filed with the Twin Rivers Council Service Center within 30 days of the event establishing the following:

- ▶ The registered participant at the time of the event had an illness or medical condition which prevented participation. The refund request shall be supported by a statement signed by a doctor or qualified health care professional.
- ▶ The death of parent, grandparent, brother, sister, or household member. The Council will consider other tragedies which may affect the participant on a case-by-case basis.
- ▶ The Scout was required to attend summer school. Documentation from the school must be provided with the request in writing, and must be submitted no later than July 1st. Scouts should be encouraged to attend camp in a later session that not conflict with school, if possible.

All requests for refunds must be in writing and made within 30 days of the event. Only an employee of the Council, serving as staff adviser for the event, may authorize a refund for a Council sponsored event.

The amount of any refund shall be equal to the money paid to the Council, minus any deposit and money sent by the Council to another agency or company to cover the cost of the registered participant. Any money that has been sent to another agency or company is considered issued and not refundable.

Checks will be issued after September 15th.

Youth Protection Protocols

National YPT Guidelines

Ensuring a safe and welcoming experience for **all youth** at camp is our number one responsibility. To ensure the safety of all guests at camp, units are expected to work with the camp administration to ensure compliance with all BSA Youth Protection Policies.

➔ **Please note: BSA adult supervision requirements have changed since last summer!**

Adult Registration Requirements

All adults (age 18+) accompanying Cub Scouts to summer resident camp must:

- ▶ Have current certification in **BSA Youth Protection** training and
- ▶ Be cleared prior to camp by the **New York State Sex Offender Registry**

This applies to any adults (age 18+) who are staying overnight and any adults who may not be staying overnight but are considered part of the unit's supervision ratio (i.e. "day shift" supervision).

Pack Leadership

In addition to the requirements above, all adults accompanying Scouts to camp as the leaders of a pack or den are required to be registered with the BSA as a leader with that pack, including completion of the criminal background check. This registration must be completed prior to camp.

A pack or den with female Cub Scouts must include at least one female registered adult leader, age 21+.

Parent/Guardian Exception

Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "[How to Protect your Children from Child Abuse: A Parent's Guide](#)" that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

Non-Twin Rivers Council units are required to provide confirmation of YPT and BSA registration status at check-in for all adult participants. Adult registration and YPT status can be printed from my.scouting.org or Scoutbook.

Adult Leader Verification/NYS Sex Offender Registry Review

The camp administration will submit the names of all adults to the NYS Department of Criminal Justice Services for Sex Offender Registry review prior to camp. This is done at no cost to the units or adults, but all adults need to provide the required information to the camp **prior to June 1st**.

Pre-clearance of all adults is essential. Adults may not be able to be cleared upon their arrival at camp, particularly if the state office is closed. **Any adult who is not pre-cleared will not be allowed to stay.**

Prior to June 1 all adults attending Cub Scout resident camp must be registered online.

The following information must be provided for each adult during online registration:

- ▶ First and Last Name (legal name)
- ▶ Youth Protection Training Completion Date
- ▶ Complete Date of Birth
- ▶ BSA Registration Status

BSA's Barriers to Abuse

The Campsite

ACCOMMODATIONS: Each campsite is equipped with 2-person platform wall tents with cots. Each site features a latrine with running water, picnic tables, a 19' x 20' pavilion, a fire ring, a flagpole, and bulletin board.

YOUTH PROTECTION: Units are required to follow all BSA youth protection policies, including separate accommodations for unmarried males and females and youth accommodations that do not place together Scouts of different genders, or those more than two years apart in age. For Cub Scout camp, a Scout may share a tent with their parent.

TRASH: For your convenience, RSR offers trash pick up at each campsite nightly. Please place trash outside the site along the road before dinner each evening.

COMMISSIONER SERVICE: A valuable resource for any troop at camp is the friendly Commissioner. RSR's Commissioners are veteran Scouters who are there to assist your pack and to help you take full advantage of all that RSR has to offer. Commissioners will also conduct a daily campsite visitation.

STOVES AND LANTERNS: Liquid fuel stoves and lanterns may be used in camp under adult supervision. Propane stoves may be used in open areas with adult supervision. Liquid fuel **MUST** be stored in approved containers and kept in appropriate storage areas.

PERSONAL VEHICLES: Personal vehicles may not be used on camp roads beyond the parking lot without permission from the camp director or ranger. All drivers must be licensed and 21 years of age or older. For safety reasons, and to prevent wear and tear, vehicles are not permitted within campsites at any time.

Authorized vehicles and trailers must be kept in the driveway outside of the campsite, but parked in such a way that all roads remain passable for camp and emergency vehicles. The posted speed limit of 10 MPH must be followed and at no time are riders permitted in the cargo areas of trucks and SUVs, or on attached trailers.

CELL PHONES: While the camp does not prohibit the use of cell phones by Scouts, we do support units that adopt such a policy while at camp. The use of cell phones and other electronic devices can distract a Scout from the numerous outdoor programs available at camp. The use of cell phones by Scouts may also encourage homesickness and allows a Scout to circumvent the responsible unit and camp leadership when upset or in need of assistance.

Accommodations can be made for those with special dietary needs. Please notify the camp director prior to your arrival and he will put you in direct contact with the head chef to discuss your child's dietary needs.

DINING HALL MEAL TIMES

Breakfast	8:00 AM
Lunch	12:30 PM
Dinner	6:00 PM

Visitor Meals

All visitors are required to sign in at the Administration Building upon arrival at camp. Visitors who wish to join the Scouts for a meal (either in the Dining Hall or campsite) may purchase a meal ticket at that time.

Health & Safety Information

The health and safety of all visitors to Rotary Scout Reservation is always a top priority. The camp is staffed with an EMT on-site at all times. To ensure the best quality of care for all Scouts, leaders, and visitors, all illnesses and injuries must be brought to the attention of the Health Officer as soon as detected. If further medical attention is warranted, emergency care will be provided by **Empire Ambulance** and **Samaritan Hospital** in Troy.

Privacy of Medical Information

All medical information provided to Rotary Scout Reservation will be guarded with respect to the privacy of the individual. All medical documents are locked in the Health Lodge for the Health Officer's reference and returned directly to the Cubmaster or parent at the end of the week. Relevant medical information will be shared with responsible staff only when necessary and in conjunction with the parent's wishes.

BSA Health and Medical Record

All campers and adults are required to provide a completed copy of the BSA Health and Medical Record (latest version available at www.scouting.org). Part C, which requires a record of a physical exam within the last year, is required of all campers and most adults as follows:

The following groups are required to complete all three parts (A, B, and C) of the form:

- ▶ All youth campers, regardless of length of stay
- ▶ All adults accompanying the Scouts for a total of 72 hours or more (hours need not be consecutive)
- ▶ Any adult, regardless of length of stay, who wants to receive a buddy tag to use the waterfront, or who wants to use the climbing tower or high course.

Adults staying for fewer than 72 hours who do not intend to use the waterfront, climbing tower, or high course are not required to submit Part C of the form (record of physical exam). However, all adult participants are required to provide at least Parts A & B of the BSA Annual Health and Medical Record. This form, which may be completed by the participant, includes a health history and emergency contact information.

Per NYS Health Department requirements, a complete record of immunization dates must be provided on or with the medical form for anyone requiring Part C. A notation of "up to date" is not acceptable. No buddy tag may be provided without immunization dates, so failure to complete this information will lead to a Scout's delayed participation in aquatic activities, including the swim test.

Medications in Camp

The camp is not allowed to legally distribute over-the-counter (OTC) medications. Scouts must bring with them any medications that they may require during their stay, including OTC meds.

All medications, prescription and OTC, must be stored in their original container and with a prescription label assigned by name to the Scout. All medicine will be held in locked storage in the Health Lodge in a bag labeled with the Scout's name and unit number. Scouts may hold on to prescribed inhalers and epipens and should keep them with them at all times.

Each Scout bringing medication to camp (prescription or OTC) must complete the Medications section of the health form, indicating the dosage that the Scout is to take and specific instructions regarding the frequency of medication. Additionally, parents must authorize the use of sunscreen and bug spray by their Scout while at camp.

The medical officer will discuss each Scout's medication schedule with him during check in. In most cases, Scouts will obtain meal time medications from the medical officer prior to the start of a meal in the dining hall. For medications with alternate schedules (i.e. bedtime, first thing in the morning, etc.) arrangements will be made between the Scout and the medical officer.

Please be advised that all medications must be self-administered by the Scout under observation by the Health Officer. The Health Officer is not permitted to distribute or prescribe medication of any kind. It is the responsibility of the Scout, with the assistance of his unit leader or parent, to obtain his medications at the appropriate time. A record will be kept.

Adults may keep most personal medications with them in their sites, however the Health Officer will be happy to provide secure and refrigerated storage (if necessary) for all adult medications. Parents of Scouts in camp may hold on to their own child's medication, however in some cases it may be better to store the child's medication in the Health Lodge to ensure that it is accessible to medical personnel at all times, even when the parent is not.

Camp Arrival - Medical Re-Check

In order to help expedite the medical re-check process as much as possible upon arrival to camp, please follow these guidelines:

- ▶ Collect and review all participant medical forms several weeks before camp.
- ▶ Ensure that all forms are complete, including immunization dates, parent's signature, and physician's signature indicating completion of a physical exam within one year.
- ▶ Do NOT collect medical forms in a binder with plastic sleeves. Keep all forms loose.
- ▶ Carry forms directly to the Grizz Pavilion with the Scouts for check-in.
- ▶ Make Scouts that Scouts are in possession of any medications they brought with them.
- ▶ Gather Scouts away from the pavilion to allow for private medical conversations.
- ▶ As each Scout is called forward, prepare the next to move up.
- ▶ Remind the Scouts to hold onto their buddy tags until they reach the waterfront.

Twin Rivers Council Accident/Insurance Policy

The Twin Rivers Council, BSA carries a limited accident / sickness policy on all Scouts while in camp. It is the responsibility of unit leaders to process all charges for medical expenses through the unit's insurance policy.

RSR and the Twin Rivers Council is not responsible for pre-existing health conditions and any related prescriptions. Scouts and Scouters are expected to follow their doctor's or pharmacist's directions printed on any medicine container.

Camp Staff

STAFF

One of the ultimate Scouting experiences: Summer Camp Staff. Open to all candidates age 16 and over, summer camp staff is where bonds are made that last a lifetime. Staff members are paid to share their knowledge, skills, and years of Scouting experience with a new generation.

Staff positions are available for older youth and adults in every program and support area.

Interested staff candidates are encouraged to [apply online](#).

CIT PROGRAM

The Rotary Scout Reservation Counselor-In-Training program is for Scouts and Venturers who are ready to take the next step in leadership, by learning how to counsel other Scouts in a fun, outdoor environment. Participants must be 15 years old before the start of camp and Scouts must be at least First Class rank. (Rank requirement does not apply to registered Venturers.)

The two-and-a-half-week CIT program allows half the day for the Scout's own advancement and half the day for training, observing, and developing instructional techniques under careful guidance. The CITs are exposed to as many program areas as possible, and some camp support areas as well.

Each CIT is paired with a staff member mentor who will serve as a guide and resource throughout the experience. Upon completion of their program, the CIT may be asked to stay on as an intern for the rest of the summer. The cost to participate in the CIT program is the same as one week of camp, but there is no cost to remain on as an intern.

Best of all, CITs and interns are able to continue to earn merit badges and enjoy the camp program during the half day each day that they are not working.

CITs are encouraged to stay with their troop when the unit is in camp, so that their leadership is available to the unit while at summer camp.

CIT candidates are encouraged to [apply online](#).

Guidelines and Expectations

As the sign at the entrance to camp reads: "There are two rules in camp: The Scout Oath and the Scout Law." For further clarity, we offer these additional guidelines.

ALCOHOL & ILLEGAL DRUGS: Alcoholic beverages and illegal drugs of any kind are not allowed in camp under any circumstances. Offenders will be removed from camp immediately. Police will be notified as warranted.

DAMAGE TO CAMP PROPERTY: All participants are asked to respect the camp property and equipment. Damage to camp property negatively affects the program and causes fees to increase. All damage caused by neglect or willful intent will be billed to the unit responsible. Inspections of campsites will be conducted upon arrival and departure.

FIREARMS: Personal firearms and related equipment, including rifles, handguns, and ammunition, are not permitted in camp. Personal archery equipment may not be used for merit badge work and is not permitted at camp. The camp will provide all equipment necessary to safely participate in shooting sports programs under qualified supervision.

FIRE PREVENTION: Care should be used at all times around open flames, including matches, campfires, lanterns, and cook stoves. No open flames are permitted in tents. Liquid fuel must be stored in approved containers and kept secure. All Scouts and leaders should become familiar with the camp's fire safety plan. Make sure to complete your unit's campsite fireguard chart each day.

LEAVING CAMP: Anyone entering or leaving camp must sign in and out at the camp office. Scouts will be released only with permission from parents and the Cubmaster. When possible, we suggest written permission for dismissal be collected ahead of camp using the form provided available at www.rsrbsa.org and held by the Cubmaster until needed.

NO PETS: For the safety of our campers and staff, pets are not permitted in camp. This includes drop-off/pick up. A midweek visit from a beloved pet may also contribute to homesickness among our younger campers. Please notify parents and visitors.

QUIET TIME: Leaders should verify that everyone is in the campsite nightly by 9:00 PM, with lights out by 10:00 PM.

Please be courteous to other troops in your area and keep evening noise levels down. Notify the camp administration immediately if anyone is unaccounted for.

PROGRAM AREA BOUNDARIES: Several program areas are marked with perimeter boundaries, including the waterfront, climbing tower, and shooting sports ranges. These perimeters are established for everyone's safety and no one (adult or youth, including staff) may cross these boundaries at any time except through established gates with the permission of the staff.

RIDERS IN VEHICLES: All passengers in vehicles must be in seats. Passengers may not be transported in or on trailers or in the beds of trucks.

SECURITY OF BELONGINGS: The camp and council are not responsible for the security of personal belongings brought to camp. Campers should be reminded that tents do not provide secure storage and exposure to the elements may also damage belongings.

SMOKING: Youth are NOT permitted to smoke at camp. Adults must not smoke or use vaping devices around Scouts. A smoking area is provided for adults behind the dining hall.

Camp Map

Full size versions are available online at www.rsrbsa.org/maps.

Rotary Scout Reservation is a forested property typical of the Hudson Valley/Capital Region area of New York State. Dirt roads and walking paths criss-cross the property and some of these routes take pedestrians up and down hills.

Hiking boots or other sturdy shoes are recommended for everyone in camp. No prior experience or training is required to successfully navigate around camp, although some youth or adults with conditioning or mobility issues may find the distances or the hills in some areas of camp to be a bit more strenuous. Individuals with mobility challenges are asked to see the camp administration to receive permission for the use of a personal vehicle, as needed, while in camp.

Information for Parents & Guests

(A handy one-page guide to reproduce locally and distribute to parents.)

PARENTS AND GUESTS: ALL VISITORS MUST REPORT TO THE OFFICE UPON ARRIVAL AT CAMP. Supplies for campers may be left at the camp office.

EARLY DEPARTURES: If a Scout needs to leave camp for a scheduled appointment or early departure, the Scout is asked to meet their parent or guardian at the camp office. A camp Early Release Permission Form should be filled out in advance and must be signed by an adult leader from the unit remaining in camp before the Scout may be dismissed.

PETS: For the safety of all Scouts and Visitors, pets are not permitted in camp, whether leashed or not.

DROP OFF/PICK UP: On Day 1, Scouts may begin gathering in the parking lot with their unit at 12:45 PM. Check-in will begin at 1:00 PM. On Day 4, packs and Cub families will be dismissed following closing ceremonies at approximately 10:00 AM

CAMPERSHIPS: The Twin Rivers Council offers limited camperships for those Scouts who need financial assistance to attend camp. Campership applications are available online at www.rsbsa.org and www.trcscouting.org.

MAIL: Incoming mail will be given out from the office to Cubmasters for distribution to the Scouts. Scouts enjoy receiving mail from home. To help reduce homesickness, it is important for parents to refrain from comments such as “We miss you very much,” “it’s lonely without you,” etc. This is especially true for our first time campers. Mail to camp should be sent at least three days in advance to ensure that it arrives while the Scout is still at camp.
