We are pleased to announce: NO FEE INCREASE IN 2026!

Please note that our **ALL INCLUSIVE** camp fee includes the cost of all program materials. Camp payments are due by May 1st. After that, a \$50 late charge is applied.

Note: Arrow of Light (Webelos) crossovers and new Scouts may have until June 15th to pay the regular fee without penalty.

Regular Fee: \$600 (Deposit of \$125 due March 15; Balance paid in full by May 1)

Late Fee: \$650 (Balance paid after May 1)

SIBLING DISCOUNT

The Twin Rivers Council offers a sibling discount for families sending multiple campers to Scouts BSA camp. Each sibling after the first is discounted \$50. The sibling discount will be applied by council staff after the Scouts are registered. To activate the discount, please email the [camp director](#) after the Scouts are registered, but before their balance is fully paid.

PROVISIONAL CAMPING

A Scout who is unable to go to camp with his or her own troop, or who wishes to go to camp for a second week without their unit, is welcome to attend as a provisional camper. Typically, provisional campers are placed with carefully selected existing troops and function as a member of that troop for the week. During specialty weeks, a larger number of provisional campers may be formed into a separate troop, with qualified leadership provided by the camp staff. The fee for a provisional camper is the same as the regular camp fee, though a camper who returns for an additional week as a provisional would benefit from the Second Week Discount rate.

SECOND WEEK DISCOUNTED FEE

A Scout is eligible for a discounted second week fee of **\$450** at Rotary Scout Reservation or Camp Wakpominee if he or she has already paid for one week of Twin Rivers Council Scouts BSA resident camp in the same season.

ADULT FEES

It is the policy of Scouting America that a minimum of two registered adult leaders provide supervision for each unit and that there be at least one adult for every eight Scouts.

In order to keep costs as low as possible for the Scouts, Twin Rivers Council charges an Adult Fee for each adult. The adult fee is **\$150**.

When adults spend less than a week at camp, their cost will be pro-rated, and may be combined with other partial week adults in the troop.

Summer Camp Registration

Registration Process

- All summer camp payments are to be made to the unit's online [ScoutingEvent account](#) via [BlackPug](#).
 - Please add participants to the unit account that was created when the troop's initial deposit was paid. **Do not** create a new, duplicate camp registration through the council calendar.
- **A \$125 deposit for each Scout attending camp is due by March 15th**, with the full balance to be paid by May 1st.
- Camp fees for Arrow of Light (Webelos) crossovers and new Scouts may be paid without penalty until June 15th.
- When registering individual Scouts, the following information will be required:
 - Scouts' first and last name
 - Complete date of birth
 - Gender
 - BSA registration number
 - Parent/Guardian email
 - Parent/Guardian cell phone
- Members of Girl troops and Boy troops may not be registered in the same troop account for camp. When registering girl and boy members of linked troops, separate troop accounts must be created for each unit and separate adult leadership must be provided by each unit.
 - For example, a Scout who is member of Troop 2100G may not be registered for camp as a member of Troop 2100B, or vice versa. If there are Scouts from 2100G and 2100B attending camp, a separate camp registration must be created for each unit.
 - This does not apply to merged Family Troops

Black Pug

All camp registrations are processed through the Black Pug registration system.

- To place a unit deposit or create a **new** camp registration, visit www.rsrbsa.org or www.trcscouting.org/calendar, follow the link to the camp registration, and select the week you would like to attend.
- To update an **existing** registration by adding Scouts or adults, or submitting payments, the camp contact should **sign into their Black Pug account**. Select the troop number from the "Activity" drop down menu, then select the camp registration, followed by "View Registration".
- Units may choose to activate the Parent Portal if they want to give parents access to make payments and select merit badges for their own child.
- For Black Pug tutorial videos, please visit www.rsrbsa.org/resources.

Camperships

The Twin Rivers Council provides partial need-based camperships to ensure that all youth have the opportunity to attend summer camp. Troops are encouraged to participate in fundraising opportunities (such as popcorn sales) to help defray the cost of camp for their members.

The online campership application is designed to be completed by the Scout's family and is available at www.rsrbsa.org. Please submit applications by April 1 so that the campership committee can review all applications and provide timely award information to families and units prior to the final payment deadline.

Youth Protection Protocols

National Safeguarding Youth Guidelines

Ensuring a safe and welcoming experience for **all youth** at camp is our number one responsibility. To ensure the safety of all guests at camp, units are expected to work with the camp administration to ensure compliance with all Scouting America Youth Protection Policies.

Adult Registration Requirements

All adults and adult program participants (age 18+) accompanying Scouts to resident camp must:

1. Be **registered with the Scouting America, as a leader of the troop they are supporting**, prior to camp, including completion of the criminal background check.
2. Have current certification in **Scouting America Safeguarding Youth** training and
3. Be cleared **prior** to camp by the **New York State Sex Offender Registry**

(*These requirements do not apply to short term visitors, such as a parent attending the Family Night BBQ.)

Non-Twin Rivers Council units are required to provide confirmation of 1 and 2 at Sunday check-in for all adult participants. Adult registration and SYT status can be printed from my.scouting.org or Scoutbook.

Scouting America Adult Supervision Policies

Please note the following important updates to Scouting America's adult supervision guidelines:

- Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.
- Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.
- All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in.

NYS DCJS Sex Offender Registry Review

The camp administration will submit the names of all adults to the NYS Department of Criminal Justice Services for Sex Offender Registry review prior to camp. This is done at no cost to the troops or adults, but the troops need to provide the required information to the camp prior to June 1st.

In anticipation of last minute changes in plans, troops are asked to supply the names of any adults who might come to camp, even if they are not currently planning to stay. Without prior review these adults may not be able to be cleared upon their arrival at camp, and if they are not cleared they will not be allowed to stay.

Prior to June 1st all troops must submit the names of all potential adults in camp, using this [Google Form](#).

The following information must be provided for each adult:

- First and Last Name (legal name)
- Complete Date of Birth
- Date Completed Safeguarding Youth Training
- BSA Registration Status

Scouting's Barriers to Abuse

Scouting America's Barriers to Abuse are designed to ensure the safety and wellbeing of all participants. Please review the Barriers to Abuse below as they relate to the summer resident camp environment. For the complete, current national guide to Youth Protection and Adult leadership visit www.scouting.org.

Adult Supervision

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.

Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. Registration as a merit badge counselor position does not meet this requirement.

One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.

- In situations requiring a personal conference, the meeting is to be conducted with the knowledge and in view of other adults and/or youth.
- Private online communications (texting, phone calls, chat, IM, etc.) must include another registered leader or parent.
- Communication by way of social media (Facebook, Snapchat, etc.) must include another registered leader or parent.

Discipline must be constructive.

- Discipline must reflect Scouting's values.
- Corporal punishment is never permitted.
- Disciplinary activities involving isolation, humiliation, or ridicule are also prohibited.

Responsibility

Leaders must ensure that all participating in Scouting activities abide by the Scout Oath and Scout Law.

Adult leaders and youth members share the responsibility for the safety of all participants in the program, including adherence to Youth Protection and health and safety policies.

- Adult leaders are responsible for monitoring behavior and intervening when necessary.
- Physical violence, sexual activity, emotional abuse, spiritual abuse, unauthorized weapons, hazing, discrimination, harassment, initiation rites, bullying, cyberbullying, theft, verbal insults, drugs, alcohol, and pornography have no place in the Scouting program and may result in revocation of membership.

All leaders are required to adhere to the Scouter Code of Conduct.

Accommodations

Separate accommodations for adult males and females and youth males and females are required.

Tenting

- Separate tenting arrangements must be provided for male and female adults and for male and female youth.
- Youth and adults must tent separately.

- Youth sharing tents must be no more than two years apart in age.
- Youth siblings of the same gender may share sleeping accommodations regardless of age with permission from their parents or legal guardians.
- Spouses may share tents.
- As an exception, a parent or guardian may share a tent with their own child if they are of the same sex.

Restrooms

Separate shower and latrine facilities should be provided for male and female adults as well as for male and female youth. If separate facilities are not available, separate times should be scheduled and posted.

Privacy of youth is respected.

- Adults and youth must respect each other's privacy, especially in situations such as changing clothes and taking showers at camp.
- Adult leaders should closely monitor these areas but only enter as needed for youth protection or health and safety reasons.

Program Requirements

- The buddy system must be used at all times in camp.
- The use of smartphones, cameras, mirrors, drones, etc., in places or situations where privacy is expected is prohibited.
- All aspects of the Scouting program are open to observation by parents and leaders.
- Scouting America does not recognize any secret organizations as part of its program.
- Hazing and initiations are prohibited and have no part during any Scouting activity.
- All forms of bullying and harassment including verbal, physical, and cyberbullying are prohibited.
- Inappropriate public displays of affection are prohibited.
- Sexual activity is prohibited.
- Appropriate attire is required for all activities.

Reporting Requirements

Adult leaders and youth members have a responsibility to recognize, respond to, and report Youth Protection violations and abuse.

Reporting

Youth Protection Policy Violations

- Serious Youth Protection policy violations or behaviors that put a youth's safety at risk must be reported to the Scout executive.
- Online reporting is also available at [Incident Reporting](#).

Mandatory Reporting of Child Abuse

- All persons participating in Scouting programs are mandated reporters of child abuse.
- Reports must be made to local law enforcement and child protective services. State law may require additional reporting.
- This reporting duty cannot be delegated to any other person.
- Reporting to the Scout executive or Scouts First Helpline ensures that follow-up can occur for the safety of our youth. Scout executives and Scouts First coordinate follow-up actions.

Scouts First Helpline

- As part of its “Scouts First” approach to the protection and safety of youth, Scouting America has established a dedicated 24-hour helpline to receive reports of known or suspected abuse or behavior that might put a youth at risk. **1-844-SCOUTS1 (1-844-726-8871)**
- If immediate assistance is needed in the handling of a sexual abuse allegation, contact Scouts First Helpline (1-844-SCOUTS1).

If someone is at immediate risk of harm, always call 911.

Campsites

Campsites must be arranged to separate genders adequately. This separation could be achieved through natural barriers, physical distance, or by the campsite being divided, so long as the separation achieves privacy for both adults and youth, as well as by gender. Adult leaders are responsible for establishing the barriers and reminding Scouts that members of one gender must not enter the tent/housing of the another.

The Buddy System

The buddy system is designed to provide an additional layer of safeguarding by ensuring that no youth member is alone and that a buddy can get help in an emergency.

The buddy system is used whenever youth members are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Of note:

- The adult unit leadership oversees and approves buddies.
- Buddies are two and can also be three to prevent youth members from being alone.
- A buddy pair cannot be mixed gender, where appropriate a third youth must be added (for a buddy group of 3).
- Youth siblings of the same gender may serve as buddies regardless of age with permission from their parents or legal guardians.
- Except for siblings, it is recommended that the age gap between buddies be at most three years for all non-sleeping activities but **must** be no more than two years for all tenting.
- When exceptional circumstances warrant, a parent or legal guardian may serve as a buddy for their child’s Scouting activities, but youth buddies meeting the above criteria, if available, are always preferred.

Refund Policy

Twin Rivers Council Refund Policy

Months before camp opens extensive planning, purchasing, and staff contractual agreements are all set in place, among other things. Due to these types of commitments, it is not practical to give full refunds.

Event fees are non-refundable except as permitted by this Policy. No refunds will be allowed after 30 days following the event date. Any refund request shall be in writing and filed with the Twin Rivers Council Service Center within 30 days of the event establishing the following:

- The registered participant at the time of the event had an illness or medical condition which prevented participation. The refund request shall be supported by a statement signed by a doctor or qualified health care professional.
- The death of parent, grandparent, brother, sister, or household member. The Council will consider other tragedies which may affect the participant on a case-by-case basis.
- The Scout was required to attend summer school. Documentation from the school must be provided with the request in writing, and must be submitted no later than July 1st. Scouts should be encouraged to attend camp in a later session that not conflict with school, if possible.

All requests for refunds must be in writing and made within 30 days of the event.

Only an employee of the Council, serving as staff adviser for the event, may authorize a refund for a Council sponsored event.

The amount of any refund shall be equal to the money paid to the Council, minus any deposit and money sent by the Council to another agency or company to cover the cost of the registered participant. Any money that has been sent to another agency or company is considered issued and not refundable.

Each member of your troop, **including at least 2 adult leaders**, will visit all program areas in the camp and stop at the waterfront for swim tests. Scouts will be returned to the campsite before dinner.

Any portion of the tour not completed in the afternoon will be finished after dinner. Adult leaders must accompany the Scouts on the tour to help provide supervision and support good behavior.

The Campsite

ACCOMMODATIONS: Each campsite is equipped with 2 person platform wall tents with cots. Some sites also feature a small number of 4 person lean-tos. Each site features a latrine with running water, picnic tables, a 19' x 20' pavilion, a fire ring, a flagpole, and buddy board.

YOUTH PROTECTION: Units are required to follow all Scouting America youth protection policies, including separate accommodations for unmarried males and females, and youth accommodations that do not place together Scouts of different genders, or those more than two years apart in age. No youth may stay in a tent or lean-to with an adult.

TRASH: For your convenience, RSR offers trash pick up at each campsite nightly, Monday through Friday. Please place trash outside the site along the road *before dinner* each evening. Troops are asked to remove their own trash on Saturday morning after policing the site.

COMMISSIONER SERVICE: A valuable resource for any troop at camp is the friendly Commissioner. RSR's Commissioners are veteran Scouters who are there to assist your troop and to help you take full advantage of all that the camp has to offer. Commissioners will also conduct a daily campsite visitation. The unit that earns the top score each day will have the honor of lowering the colors at retreat.

STOVES AND LANTERNS: Liquid fuel stoves and lanterns may be used in camp under adult supervision. Propane stoves may be used in open areas with adult supervision. Liquid fuel **MUST** be stored in approved containers and kept in appropriate storage areas.

PERSONAL VEHICLES: Personal vehicles may not be used on camp roads beyond the parking lot without permission from the camp director or ranger. All drivers must be licensed and 21 years of age or older. For safety reasons, and to prevent wear and tear, vehicles are not permitted in campsites at any time. Authorized vehicles and trailers must be kept in the driveway **outside** of the campsite, but parked in such a way that all roads remain passable for camp and emergency vehicles. The posted speed limit of 10 MPH must be followed and at no time are riders permitted in the cargo areas of trucks and SUVs, or on attached trailers.

CELL PHONES: While the camp does not prohibit the use of cell phones by Scouts, we do support units that adopt such a policy while at camp. The use of cell phones and other electronic devices can distract a Scout from the numerous outdoor program available at camp. The use of cell phones by Scouts may also encourage homesickness and allows a Scout to circumvent the responsible unit and camp leadership when upset or in need of assistance.

For after hours assistance, please see the staff in the camp office.

LOST AND FOUND: The camp “Lost and Found” is located in the camp office.

HEALTH LODGE: Qualified medical staffing is provided by an on-site EMT at all times. All injuries and illnesses in camp must be reported to the medical officer. Health & Safety Information

The health and safety of all visitors to Rotary Scout Reservation is always a top priority. The camp is staffed with an EMT on-site at all times during resident camp. To ensure the best quality of care for all Scouts, leaders, and visitors, all illnesses and injuries must be brought to the attention of the camp health officer as soon as detected. If further medical attention is warranted, emergency care will be provided by Empire Ambulance. The nearest hospital is Samaritan Hospital in Troy.

Privacy of Medical Information

All medical information provided to Rotary Scout Reservation will be guarded with respect to the privacy of the individual. All medical documents are locked in the Health Lodge for the health officer's reference. Relevant medical information will be shared with responsible staff only when necessary and in conjunction with the parent's wishes.

RSR does not keep participant health forms beyond that individual's time at camp. All troop health forms are returned to the Scoutmaster at the end of the week. If a Scout returns for a second week, they must retrieve their form from the Scoutmaster and bring it back to camp with them.

BSA Health and Medical Record

All campers and adult leaders are required to provide a completed copy of the BSA Health and Medical Record (latest version available at www.scouting.org). **Part C, which requires a record of a physical exam within the last year, is required of all campers and adults attending Scouts BSA resident camp.**

Per NYS Health Department requirements, a complete record of immunization dates must be provided on or with the medical form for anyone requiring Part C. A notation of "up to date" is not acceptable. No buddy tag may be provided without immunization dates so failure to complete this information will lead to a Scout's delayed participation in aquatic activities, including the swim test.

Medications in Camp

The camp is not allowed to provide over-the-counter (OTC) medications.

Scouts must bring with them any medications that they may require during their stay, including OTC meds. **All medications, prescription and OTC, must be stored in their original container. Prescribed medication must include a label assigned by name to the Scout.** Prescription medications may not be prescribed in the name of another individual, including a parent or sibling.

All medicine will be held in locked storage in the Health Lodge in a bag labeled with the Scout's name and unit number.

Scouts may hold on to prescribed inhalers and epipens and should keep them with them at all times.

Each Scout bringing medication to camp (prescription or OTC) must complete the Medications section on page B2 of the health form, indicating the dosage that the Scout is to take and specific instructions regarding the frequency of medication. Additionally, parents must authorize the use of sunscreen and bug spray by their Scout while at camp.

The medical officer will discuss each Scout's medication schedule with him or her during check in. In most cases, Scouts will obtain meal time medications from the medical officer prior to the start of a meal in the dining hall. For medications with alternate schedules (i.e. bedtime, first thing in the morning, etc.) arrangements will be made between the Scout and the medical officer.

Please be advised that all medications must be self-administered by the Scout under observation by the health officer. The health officer is not permitted to distribute or prescribe medication of any kind. It is the responsibility of the Scout, with the assistance of his unit leader, to obtain his medications at the appropriate time. A written record will be kept.

Adults may keep their own personal medications with them in their sites, excluding controlled substances, however the health officer will be happy to provide secure and, if necessary, refrigerated storage for all adult medications.

Sunday Medical Re-Check

In order to help expedite the medical re-check process as much as possible upon arrival to camp, please follow these steps:

- Unit leader collects and reviews all participant medical forms several weeks before camp.
- **Ensure that all forms are complete, including immunization dates, parent's signature, and physician's signature confirming completion of physical exam within one year.**
- Do NOT bring medical forms to camp in a binder with plastic sleeves. Keep all forms loose.
- Upon arrival, do not send medical forms to the office with Scoutmaster during check in. Carry forms directly to the campsite with the Scouts.
- Upon arriving in campsite, direct Scouts to gather any medications they brought with them.
- Proceed with Staff Guide to the medical officer for health re-check.
- Gather Scouts away from the pavilion to allow for private medical conversations.
- Line up Scouts (alphabetical order preferred) with medical form and medications (if any) in hand.
- As each Scout is called forward, prepare the next to move up.
- Remind the Scouts to hold onto the buddy tags they receive until they reach the waterfront.

Twin Rivers Council Accident/Insurance Policy

The Twin Rivers Council, BSA carries a limited accident / sickness policy on all Scouts while in camp. It is the responsibility of unit leaders to process all charges for medical expenses through the unit's insurance policy.

RSR and the Twin Rivers Council is not responsible for pre-existing health conditions and any related prescriptions. Scouts and Scouters are expected to follow their doctor's or pharmacist's directions printed on any medicine container.

Guidelines and Expectations

As the sign at the entrance to camp reads: "There are two rules in camp: The Scout Oath and the Scout Law." For further clarity, we offer these additional guidelines.

ALCOHOL & ILLEGAL DRUGS: Alcoholic beverages and illegal drugs of any kind are not allowed in camp under any circumstances. Offenders will be removed from camp immediately. Police will be notified as warranted.

TOBACCO PRODUCTS: Campers are NOT permitted to smoke or use tobacco products at camp. Adults must not smoke or use vaping devices around Scouts. A smoking area is provided for adults behind the dining hall.

DAMAGE TO CAMP PROPERTY: All participants are asked to respect camp property and equipment. Damage to camp property negatively affects the program and causes fees to increase. All damage caused by neglect or willful intent will be billed to the unit responsible. Inspections of campsites will be conducted upon arrival and departure.

FIREARMS AND BOWS: Personal firearms and related equipment, including rifles, handguns, and ammunition, are not permitted in camp. Personal archery equipment may not be used for merit badge work and is not permitted at camp. The camp will provide all equipment necessary to safely participate in shooting sports programs under qualified supervision.

FIRE PREVENTION: Care should be used at all times around open flames, including matches, campfires, lanterns, and cook stoves. No open flames are permitted in tents. Liquid fuel must be stored in approved containers and kept secure. All Scouts and leaders should become familiar with the camp's fire safety plan. Make sure to complete your unit's campsite fireguard chart each day.

LEAVING CAMP: Anyone entering or leaving camp must sign in and out at the camp office. Scouts will be released only with permission from parents and the Scoutmaster. When possible, we suggest written permission for dismissal be collected ahead of camp using the form provided available at www.rsbsa.org and held by the Scoutmaster until needed.

NO PETS: For the safety of our campers and staff, pets are not permitted in camp. This includes BBQ night and drop-off/pick up. A midweek visit from a beloved pet may also contribute to homesickness among our younger campers. Please notify parents and visitors.

QUIET TIME: Leaders should verify that everyone is in the campsite nightly by 9:00 PM, with lights out by 10:00 PM.

Please be courteous to other troops in your area and keep evening noise levels down. Notify the camp administration immediately if anyone is unaccounted for.

PROGRAM AREA BOUNDARIES: Several program areas are marked with perimeter boundaries, including the waterfront, climbing tower, and shooting sports ranges. These perimeters are established for everyone's safety and no one (adult or youth, including staff) may cross these boundaries at any time except at established gates with the permission of the responsible staff.

RIDERS IN VEHICLES: All passengers in vehicles must be in seats. Passengers may not be transported in or on trailers or in the beds of pickup trucks.

SECURITY OF BELONGINGS: The camp and council are not responsible for the security of personal belongings brought to camp. Campers should be reminded that tents do not provide secure storage and exposure to the elements may also damage belongings.

Merit Badge Registration

All registration for merit badges and other programs is completed through Black Pug. Scouts must be fully paid before their program may be selected.

For a video tutorial explaining the online merit badge selection process, please visit www.rsrbsa.org/resources.

Each troop may decide whether or not to activate the Parent Portal to allow families to directly select merit badges and other programs. If the troop chooses to take advantage of this option the camp contact needs to turn on this feature via the Additional Actions tab above their unit roster.

The merit badge selection process will open on May 5, 2026 at 7:00 PM.

Merit Badge Record Keeping

The camp staff will record all merit badge and program records in Black Pug.

As they are entered, these advancement records will be visible to the units in real time through their Black Pug camp registration:

- From the unit roster page, select the “Reports” tab.
- Select either “Unit Advancement Summary” or “Unit Advancement Detail” to view a current report of Scout advancement.
- These records will permanently remain in the unit account and are accessible at any time after camp by the troop’s camp contact.

Following each week of camp, RSR will upload the merit badge records to Scoutbook. In order to ensure correct transmission of this data to Scoutbook, each Scout’s first and last name and Scout ID must match their records in Scoutbook.

There are a few limitations to this transmission, which are caused by limitations in the Scoutbook import tool. We are unable to change these limitations to the BSA-provided technology:

- Non-merit badge awards will not be uploaded. This includes rank advancement requirements or Scouting awards such as Snorkeling BSA, BSA Lifeguard, BSA Mile Swim Award.
- **Non-merit badge awards that cannot be uploaded to Scoutbook by the camp will still remain accessible to the unit in their Black Pug registration as described above (Unit Advancement Summary or Unit Advancement Detail)**

Other Black Pug Resources

Units are encouraged to familiarize themselves with the many reporting resources available through the “Reports” tab in the troop Black Pug registration. These reports can be very useful for Troop Treasurers, Scoutmasters, and other key unit leaders preparing for and leading a successful camp experience. The following easy-to-download reports are available :

- Unit Roster
- Payment Allocations (shows individual payment status)
- Attendee Payment Detail (shows payment detail per attendee)

First Year Camper Program

Trail to First Class

The Trail to First Class program is designed for Scouts who have just entered the program and who are working toward the rank of First Class. The program centers around the outdoor requirements needed to advance to a Scout's next rank. Each interested Scout should sign up for either the weeklong morning session or afternoon session.

Skills Practiced at Trail to First Class May Include:

- Knot Tying
- First Aid
- Use of Camp Tools
- Hiking
- Tree and Plant Identification
- Flag Ceremonies
- Aquatics Skills
- Fire Building
- Compass Skills
- Activities may vary from week to week based upon needs of the Scouts

Benefits of the Trail to First Class Program:

- Young Scouts are given a structured program to adjust to life at camp.
- Scouts are instructed in small groups.
- Hands-on instruction is provided with low camper-to-staff ratios.
- Camp is the classroom: Activities are conducted at the waterfront, along trails, and in other areas.
- The Trail to First Class Area is centrally located in the heart of the camp to make it easier for new Scouts to find.
- Scouts have the opportunity to earn **Mammal Study** merit badge within the program.
- Half of the Scout's day remains available for additional merit badge work or open programming.
- All participants are awarded the unique RSR Trail to First Class program patch (shown above)
- Scouts will practice skills at TTFC, but ultimately it remains the Scoutmaster's right to sign off on completion. A record of all skills completed will be given to each unit at the end of the week.

Additionally we offer a number of non-merit badge BSA award programs and BSA program-specific training courses. The following merit badges, awards, and trainings are offered at camp. Merit Badge Prerequisites

The merit badge program at RSR is designed to reflect the outdoor experience of camp. Most merit badges offered may be completed at camp. In some cases, however, a requirement may be more easily completed at home. In such cases the Scout is asked to bring evidence of completion for review by his or her merit badge counselor.

Career Exploration: Most merit badges include a requirement encouraging Scouts to explore careers in subject-related fields. This research is often best done with access to the internet. Scouts are encouraged to complete this research prior to camp.

Merit Badge	Prerequisites	Notes
Archery	#1e	Research state and local laws for owning and using archery tackle.
Astronomy	#4c, #5b, #5d, #6b, #8	Completion requires extended night observations and clear nights making this badge very weather dependent and difficult to complete solely at camp.
Backpacking	#8c, #8d, #10, #11abc	Complete hiking requirements
Bird Study	#5, #7, #8, #9	
Camping	#4b, #8c, #8d, #9a, #9b	Requirement #9 must be done over a series of camping trips and verified with dates and locations by the Scoutmaster. Scouts taking Camping should bring an internal or external frame backpack and backpacking tent for a one night outpost experience
Crime Prevention	#2, #3a-b #4b	Prepare a journal from various sources that address crime and crime prevention efforts in your community (2), Examine news coverage of crimes (3), conduct a security survey of your home and discuss the results with your family (4b)
Emergency Preparedness	#1, #3a, #3c	Complete First Aid Merit Badge (1), create emergency plan with your family (3a). Scouts should come prepared with their personal service pack, pictures of their family evacuation kit (3c), and a copy of their family plans (in brief, bullet point form) signed by their parents/guardians and a Scout leader (3a)
Environmental Science	N/A	While there are no prerequisites, Environmental Science is a very intense and time consuming Eagle Required merit badge for older Scouts. Care should be taken in scheduling other merit badges so as to not overburden the Scout. Maturity is important.
First Aid	#2(b)1	Bring completed First Aid Kit for review by your counselor [2(b)1]

Merit Badge	Prerequisites	Notes
Geocaching	#7 and #8	
Insect Study	#3b, #4b-d, #5b,	Very difficult badge requiring extensive preparation prior to camp
Lifesaving	#1 and #2	Review Safe Swim Defense, complete Swimming Merit Badge, and complete swimming requirement in 2b before beginning the rest of the badge.
Nature	#4	Requirement 4 requires Scouts to collect specimens from several different categories of nature.
Photography	#1b	View the Personal Safety Awareness "Digital Safety" video
Plant Science	#5, #8	Grow plants
Pioneering	N/A	Proficiency in knots and lashings required. Scouts should practice knots and lashings prior to camp.
Reptile and Amphibian Study	#1, #4, #6, #8, #9a or #9b	
Rifle Shooting	#1g, #1i,	Knowledge of the firearm laws of the Scout's home state is required. Minimum age of 12 required.
Safety	#2d-f, #3b	Prepare notebook of news stories, facts and statistics. Complete home inspection and develop family safety plan. Teach family members what to do in an emergency. Scouts should come prepared with their journal, as well as notes about the other requirements and signatures from a parent/guardian and a Scoutmaster.
Search and Rescue	N/A	Highly recommend minimum age of 13
Shotgun Shooting	#1g, #1i,	Knowledge of the firearm laws of the Scout's home state is required. Shotgun shooting requires upper body strength capable of safely supporting a heavy shotgun. Scout must demonstrate ability to hold proper shotgun stance prior to starting the merit badge. Minimum age of 13 required. Minimum age of 14 recommended.
Small Boat Sailing	N/A	Prior practice of required knots is useful for completion
Swimming	#2	Scouts must successfully pass BSA Swimmer's Test before beginning the badge. Scouts who do not pass the Swimmer's Test on Sunday should be placed in Swim Instruction rather than Swimming MB. Swimming MB is not a learn-to-swim program and is not recommended for weak swimmers who need to develop physical strength, confidence or swimming skills before attempting the badge.
Wilderness Survival	#4	Build a personal survival kit. Bring kit to camp.
Wood Carving	#2a	Totin' Chip training and previous knife handling experience.

Merit Badge Requirement Verification Form

The merit badge program at RSR is specifically designed to reflect the outdoor experience of camp. As a result, most merit badges offered may be completed entirely at camp. In some cases, however, a requirement may be more easily or necessarily completed at home. In such cases the Scout is asked to bring evidence of completion for review by his merit badge counselor. Please use this form to record completed requirements.

Troop Number: _____ Council: _____

Unit Leader Name (Please Print): _____

Unit Leader Phone Number: _____

Unit Leader E-mail: _____

Scout Name	Merit Badge	Requirements Completed	Leader Initials

I confirm that the above listed requirements were completed by the Scouts named and that credit may be given by the merit badge counselor.

Unit Leader Signature

Date

Please turn completed form in to the camp office or to the relevant program area director.

Forms should be delivered in person by the adult leader.

Older Youth Programs

Few factors are as important to the continued success of a troop or crew as the active participation of older youth. These are the veteran Scouts who have “been there, done that” and offer a wealth of experience to guide recent crossovers and serve as an inspiration to younger Scouts.

In order to maintain the interest of these older Scouts, however, the program must offer something for them as well. At RSR we offer a number of opportunities for experienced Scouts looking for that extra challenge. Most of our older youth programs are open to adults as well!

COPE

Open to Scouts at least 13 years of age, COPE challenges participants mentally and physically. Guided by the philosophy of “Challenge By Choice,” each participant is encouraged to push themselves beyond their own expectations.

Working as a team, the Scouts will have a chance to develop the communication, leadership, and decision making skills you are looking for in your youth leaders...but you don't have to tell them that.

All that they need to know is that they are going to have one of the most exciting and rewarding experiences of their lives...while standing thirty feet in the air!

Range & Target Activities - Rifle and Shotgun

The RSR Marksmanship programs teach Scouts to respect and safely operate rifles, shotguns and bows.

Per New York State law, Scouts must be at least 12 years old to handle a rifle or shotgun, but in many cases a Scout must be even older before he or she has the physical and mental maturity required to safely participate in the Shooting Sports Program.

The minimum age for Rifle Shooting MB and open rifle shoot is 12 years old. The camp minimum age for Shotgun Shooting MB and open shotgun shoot is 13 years old. Please note: Shotgun shooting requires upper body strength capable of safely supporting a heavy shotgun.

American Red Cross Lifeguard

American Red Cross Lifeguard is a very rigorous program and requires a full-time commitment, but completion of the program will yield a certificate recognized by New York State for employment as a lifeguard.

Participants must be at least 15 years old. It is recommended that the Scouts hold most of the badges offered at the waterfront prior to beginning the Lifeguard program.

Scouts taking the American Red Cross Lifeguard program must bring long pants and a long-sleeved shirt for clothes inflation.

Sailing, Kayaking, Stand Up Paddleboarding & Canoeing

There's no better way to spend a warm summer day than on the water, and at RSR you have your choice of maritime options.

Set sail for adventure on Davitt Lake as you cruise the water on your choice of sailboat, kayak, canoe or stand up paddleboard.

Earn merit badges in Small Boat Sailing, Canoeing, or Kayaking, or learn to paddleboard and earn the BSA Stand Up Paddleboard Award.

Open Boating opportunities are also available throughout the week for Scouts and leaders.

Twin Rivers Council Navigator Award

For those who just can't get enough of the Aquatics program in their life, we have just the thing for you: the Twin Rivers Council Navigator Award, a recognition for those who have taken on every challenge the Aquatics program can throw at them.

Requirements include the completion of Aquatics based merit badges and awards, as well as the demonstration of skimming and boating skills.

Scouts may earn special Starfish pins by taking their experience to the next level.

Disc Golf Course

New in 2025! Rotary Scout Reservation is introducing a brand-new 9 hole disc golf course. Play with friends and learn new skills in this exciting game!

Scouts will also have the opportunity to earn Golf Merit Badge using the disc golf set of requirements.

CIT PROGRAM

The Rotary Scout Reservation Counselor-In-Training program is for Scouts and Venturers who are ready to take the next step in leadership, by learning how to mentor other Scouts in a fun, outdoor environment. Participants must be 15 years old before the start of camp and Scouts must be at least First Class rank. (Rank requirement does not apply to registered Venturers.)

The three week CIT program allows half the day for the Scout's own advancement and half the day for training, observing, and developing instructional techniques under careful guidance. CITs are exposed to as many program areas as possible, and some camp support areas as well.

Each CIT is paired with an experienced staff member mentor who will serve as a guide and resource throughout the experience. Upon completion of their program, the CIT may be asked to stay on as an intern for the rest of the summer. The cost to participate in the CIT program is the same as one week of camp, but there is no cost to remain on as an intern.

Best of all, CITs and interns are able to continue to earn merit badges and enjoy the camp program during the half day each day that they are not working.

CITs are encouraged to stay with their troop when the unit is in camp, so that their leadership is available to the unit while at summer camp.

CIT candidates are encouraged to [apply online](#).

STAFF

One of the ultimate Scouting experiences: Summer Camp Staff. Open to all candidates age 16 and over, summer camp staff is where bonds are made that last a lifetime. Staff members are paid to share their knowledge, skills, and years of Scouting experience with a new generation.

Staff positions are available for older youth and adults in every program and support area.

Interested staff candidates are encouraged to [apply online](#).

Camp Map

Full size versions are available online at www.rsrbsa.org/maps.

Rotary Scout Reservation is a forested property typical of the Hudson Valley/Capital Region area of New York State. Dirt roads and walking paths criss-cross the property and some of these routes take pedestrians up and down hills.

Hiking boots or other sturdy shoes are recommended for everyone in camp. No prior experience or training is required to successfully navigate around camp, although some youth or adults with conditioning or mobility issues may find the distances or the hills in some areas of camp to be a bit more strenuous. Individuals with mobility challenges are asked to see the camp administration to receive permission for the use of a personal vehicle, as needed, while in camp.

Parent & Guest Information

(A handy one-page guide to reproduce locally and distribute to parents.)

PARENTS AND GUESTS: ALL VISITORS MUST REPORT TO THE OFFICE UPON ARRIVAL AT CAMP. Parents are welcome, especially at check-in time on Sunday, Wednesday's Family Night BBQ, and at Saturday morning's closing ceremony.

PICK UP/DROP OFF: Troop check-in on Sunday begins at **1:00 PM**. Units are asked not to gather in the parking lot before 12:30 PM. The closing ceremony begins Saturday at approximately 8:30 AM. Parents are encouraged to attend closing ceremonies on the Parade Field behind the Dining Hall. Dismissal for all troops follows the closing ceremony at approximately 9:30 AM. For the safety of all Scouts and Visitors, pets are not permitted in camp, whether leashed or not.

PARENT AND GUEST MEALS: Visitors are welcome to stay for meals. The costs are as follows: Breakfast \$10.00, Lunch \$10.00, Dinner \$15.00. The price is the same whether dining in our dining hall or with the Scouts in their campsite. Meal tickets for visitors are required and should be purchased at the office prior to meals.

FAMILY NIGHT BBQ: Tickets may be purchased for \$18.00 (Age 11 and over) or \$15.00 (Age 10 and under). Tickets may be [purchased online](#) or at the camp office upon arrival at camp. Participation in the BBQ meal is optional, but ALL visitors on Family Night must sign in at the office upon arrival.

CAMPERSHIPS: The Twin Rivers Council offers limited camperships for those Scouts within the council who need financial assistance to attend camp at Rotary Scout Reservation or Camp Wakpominee. Campership applications are available online at www.rsbsa.org and www.trcscouting.org. Campership applications are requested to be submitted by April 1.

MAIL: Incoming mail will be given out from the office to Scoutmasters for distribution to the Scouts. Scouts enjoy receiving mail from home. To help reduce homesickness, it is important for parents to refrain from comments such as "We miss you very much," "it's lonely without you," etc. This is especially true for our first year campers.

Mail to camp should be sent at least three days in advance to ensure that it arrives while the Scout is still at camp.
